CHURCH FAMILY

Our Purpose

...to assemble together to glorify God in worship; to be devoted to prayer and to God's word; to challenge and edify believers in Jesus Christ; to become disciples and evangelize our community and the world through our words and actions.

VACATIONS, FAMILY, AND GOD

June is the month for many schedule changes ... school, work, home, and church. Here at our church, we will start our **summer schedule on June 6** with a Volunteer Appreciation lunch at our beautiful church patio.

We will have our 9:00 AM worship service as usual, with nursery and children's Sunday School.

However, we will not have the 10:45 second hour. As in past years, we want to encourage an "enhancement" of the time between services and the time after the second hour, when we love to talk with one another!

We encourage groups to go to lunch together, or out for coffee, or have a picnic, or go to the beach, or go bicycling, or a photography outing, or to a museum (the Legion of Honor is going to be displaying Impressionists' paintings in their first, and probably only, time away from France), ... any of hundreds of "enhancing our relationships" possible combinations. We especially encourage inviting others whom you do not know so that you can get to know them.

As part of the summer schedule we will have some church organized events (picnics at the park, baptism at the beach, and July 4th safe fireworks {with a chili cookoff??} for example), but we want to have non-scheduled time for building friendships around coffee/tea, food, or other specific interests.

This is obvious, but we really want to encourage family time not only on a special "vacation trip," but just being together away from the TV, Wii, and all of the other family-distracting "things." I have often mentioned that I enjoy God's awesome creation because it refreshes my soul. We have an amazing and wonderful blessing with the many parks in our area. Take advantage of them!

And last, but not least, as you have a most wonderful summer, with the best vacation ever, please do not take a vacation from God and His church. If possible, when you are out of town, visit other churches. Worship with them. Enjoy a prelude of Heaven, where we will all be worshiping God together in one place! When we find ourselves in Heaven we will finally be in a perfect worship setting. Until then, despite our differences, join your heart with other worshippers of God as you worship Him together.

Happy summer! Happy vacation! Happy family and church-family outings! Happy worship!!!

WORKINGS OF THE BOARD

Well the summer is now upon us and we once again look forward to all the activities we usually celebrate during this time of the year. As we prepare for this time, look out for events like baptisms at the beach and picnics at the park and other cool events. We will post these events as they become available at the 'Bulletin Board' in the foyer.

Please see the bulletin for the change in summer schedule which starts on Sunday, June 6.

The board would also like to thank everyone who volunteered for the Winter Relief program which the church has committed to this Christmas season. We are always in need of more volunteers so if you would still like to volunteer please sign up at the foyer, for any questions please see Donna Frantz.

Blessings in Christ
